

## About Us

Community Transport (Brighton, Hove & Area) Ltd is a not-for-profit voluntary sector organisation. For 20 years we have been running accessible minibuses for community groups, schools, older people and people with disabilities.

Bus 130 is our first venture in providing a timetabled local Community Bus Service. We are grateful for the support and encouragement that we have received from Rodmell Parish Council, Iford Parish Meeting and Kingston Parish Council in getting this service going.
